Material Aspects

IDB Capital routes 100% of its equity and option transactions through Pershing LLC and does not receive payment for order flow from any venue. Pershing does receive payment for order flow but IDB Capital does not share in the revenue Pershing receives. For more information concerning Pershing's order flow practices please go to orderroutingdisclosure.com and type in Pershing LLC.

The percentages shown above were calculated by determining the percentage of orders applicable to each category and were then either rounded up or rounded down to comply with the regulatory specifications with respect to the data's format. Specifically, the data is required to be displayed out to two places to the right of the decimal point. Therefore, due to this rounding, the percentages for individual rows or columns of data may result in sums that are slightly more or less than 100.00%.

The percentages shown above were calculated by determining the percentage of orders applicable to each category and were then either rounded up or rounded down to comply with the regulatory specifications with respect to the data's format. Specifically, the data is required to be displayed out to two places to the right of the decimal point. Therefore, due to this rounding, the percentages for individual rows or columns of data may result in sums that are slightly more or less than 100.00%.
