Material Aspects:

Virtu Americas LLC (NITE):

RQD* Clearing LLC receives revenue from third-party liquidity providers based on the order flow execution received at each destination. Virtu Americas LLC paid RQD* Clearing LLC rebates on orders according to the below terms:

- A. US listed Security (NMS) non-marketable (add liquidity) orders executed equal to or over \$1 per share rebate of .0032 per share and execution quantity is equal to or greater than one share.
- B. US listed Security (NMS) marketable (remove liquidity) order executed equal to or over \$1 per share rebate of .0020 per share and execution quantity is equal to or greater than one share.
- C. US listed Security (NMS) non-marketable (add liquidity) orders executed under \$1 a rebate of .0015 notional amount of the trade (15 basis points) and execution quantity is equal to or greater than one share.

F. Extended hours orders routed to Virtu and filled outside the core session will not receive payment nor will incur a charge. However, orders marked as extended hours eligible filled during the core session will receive at the above payment terms.

There is a potential conflict inherent to a market maker such as Virtu Americans LLC both paying for order flow and providing price improvement as the potential source of funds for each is the same namely the anticipated profit the market maker seeks to earn from executing or facilitating the execution of RQD* Clearing LLC customer orders. Accordingly from such anticipated profit a market maker such as Virtu Americas LLC can (i) forgo a portion of such anticipated profit to provide price improvement; (ii) forgo a portion of such anticipated profit to pay for order flow; or (iii) retain a larger portion of anticipated profit and not provide (or provide less) price improvement or not provide (or provide less) payment for order flow. A market maker's (such as Virtu's) anticipated profit must be allocated among these three sub-categories such that an increased allocation to any one subcategory will result in a decreased allocation to one or more of the other categories.

Furthermore, RQD* Clearing LLC and Virtu Americas LLC do not have any arrangements:

- that require RQD* Clearing LLC to meet certain volume thresholds or that provide incentives to RQD* Clearing LLC for meeting or exceeding certain volume thresholds;
- that require RQD* Clearing LLC to meet certain minimum volume thresholds or that provide disincentives to RQD* Clearing LLC for failing to meet certain minimum volume thresholds;
