Material Aspects:

UBS Securities, LLC ATS:

UBS ATS is an SEC-registered alternative trading system operated by UBS Securities LLC as the Broker-Dealer Operator. As the Broker-Dealer Operator, UBS does not incur any access or execution fees or receive rebates for using and trading in its own ATS. UBS stands to share in all of the profits generated by the UBS ATS. For more information about the UBS ATS, see [www.ubs.com/ats](http://www.ubs.com/ats) and the UBS ATS Form ATS-N, available here: <https://www.sec.gov/divisions/marketreg/form-ats-n-filings.htm>

Investors Exchange (IEXG):

Net payments for purposes of Rule 606(a)(1) include transaction fees and rebates from IEX. At the end of Q4 2025, based on the fee schedule publicly provided by IEX as of December 31, 2025, UBSS incurred both fees and rebates from IEX, which can be found at: [https://public.s3.com/rule606/ubss/UBSS\\_US\\_Equities\\_Rate\\_Card\\_2025Q4.xlsx](https://public.s3.com/rule606/ubss/UBSS_US_Equities_Rate_Card_2025Q4.xlsx). Exchange fees and rebates may vary for specific clients. Please note that IEX in its sole discretion may add, remove, and change volume tiers, as well as exchange fees and rebates month-to-month. Overall transaction fees and rebates for IEX transactions executed by UBSS will vary month-to-month depending on trading activity levels. From time to time, the amount of rebates/credits that UBSS receives from an exchange may exceed the amount of fees that UBSS is charged by such exchange. In these limited circumstances, the receipt of net payments from an exchange would constitute payment for order flow.

Please note that UBSS also operates a Retail Market Making (RMM) desk that serves as a Retail Member Organization (RMO) on a number of US securities exchanges (including IEXG) and routes retail orders to exchange retail liquidity or priority programs to receive price improvement, improvement in execution quality, or exchange fees/rebates available to retail order flow. For more information about UBSS' Retail Market Making desk, please see: <https://www.ubs.com/global/en/investment-bank/us-broker-dealer/order-handling-retail.html>

Fees and rebates are set by IEX for its members; note that as of December 31, 2025, IEX offers volume-based tiered rates.
