### Material Aspects:

CBOE GLOBAL MARKETS INC. (XCBO):

X-Change Financial Access, LLC ("XFA") routes orders to market centers which include national security exchanges, alternative trading systems, electronic communications networks, and broker dealers that may offer credits for orders that provide liquidity to their books and assess fees for orders that take liquidity from their books. In some cases, the credits offered by a market center may exceed the charges assessed, where said market center may make a payment to XFA in relation to the orders directed to that market center. XFA may also receive incremental pricing benefits from market centers based upon the aggregate trading volume generated by XFA.

VOLANT EXECUTION (VLNT):

X-Change Financial Access, LLC ("XFA") routes orders to market centers which include national security exchanges, alternative trading systems, electronic communications networks, and broker dealers that may offer credits for orders that provide liquidity to their books and assess fees for orders that take liquidity from their books. In some cases, the credits offered by a market center may exceed the charges assessed, where said market center may make a payment to XFA in relation to the orders directed to that market center. XFA may also receive incremental pricing benefits from market centers based upon the aggregate trading volume generated by XFA.

NASDAQ OPTIONS MARKET (XNDQ):

X-Change Financial Access, LLC ("XFA") routes orders to market centers which include national security exchanges, alternative trading systems, electronic communications networks, and broker dealers that may offer credits for orders that provide liquidity to their books and assess fees for orders that take liquidity from their books. In some cases, the credits offered by a market center may exceed the charges assessed, where said market center may make a payment to XFA in relation to the orders directed to that market center. XFA may also receive incremental pricing benefits from market centers based upon the aggregate trading volume generated by XFA.
